**Junior Full-Stack web developer** with a background in sales. Ability to produce well organized code. Experienced with crafting UI designs for websites. Able to create backend APIs with non-relational and relational databases. Fast learner with outstanding problem-solving skills. Focused on customer satisfaction and customer retention.

## CURRENT WEB DEVELOPMENT PROJECTS

07/2021-Present

- Working for a local osteopathy practice to deploy a website for their business
- Used HTML and CSS to create a slick, modern, and easy to navigate website with multi-device and browser accessibility
- Continually making improvements and updating the website to stay on top of trends
- Constantly in contact with the practice to improve customer satisfaction

## PROJECTS

- Created a Pokedex App using JavaScript to display details fetched from an external API into a modal
- Made a client-side movie application using Angular and TypeScript that allows users to create an account and search for movies
- Constructed another client-side (React) and server-side (API) movie application that additionally allows users to filter movies and delete their account
- Designed a chat app using React Native which enables users to chat, send pictures, and share their location

## EXPERIENCE

01/2016-06/2019

SENIOR SALES ACCOUNT MANAGER, CHARLOTTE MOTOR SPEEDWAY

- Managed a portfolio of over 1140 accounts and acted as the point of contact to handle any customer needs
- Maintained a trusted advisor relationship with key accounts to better fulfill their demands
- Trained junior staff members in using the company's software to boost efficiency
- Supervised staff from prospecting to closing to broaden the customer base
- Analyzed customer behavior and experience in order to improve future business relationships with customers, ultimately driving sales growth

05/2012-12/2015

JUNIOR SALES ACCOUNT MANAGER, CHARLOTTE MOTOR SPEEDWAY

- Guided customers through the purchasing process to increase customer satisfaction
- Clarified customer inquiries, regarding event schedules & details, ticket and event pricing, payment plan options, ticket insurance and return policies
- Diagnosed customer complaints to help resolve issues efficiently
